

Abbreviations and Acronyms

AARAfter Action Report
ACO.....Airspace Control Order
ADOCS.....Air Defense Operations Center System
AITS-JPO.....Advanced Information Technology Services - Joint Program Office
ATMAsynchronous Transfer Mode
ASPApplication Service Provide; Active Server Page
ATOAir Tasking Order
Bi-SCBi (= two) Strategic Commands (ACE and ACLANT)
Bi-SC AISBi-SC Automated Information System
C2.....Command and Control
C2IT.....Command and Control Interoperability Trials
C3.....Command, Control, Communications; Consultation, Command and Control
C4.....Command, Control, Communications, and Computers
C4I.....Command, Control, Communications, and Computers, Intelligence
C4IFTWC4I for the Warrior
CAOCCombined Air Operations Center
CBRNChemical, Biological, Radiological, Nuclear
CCCCCombined Communications Control Center
CCEB.....Combined Communications-Electronics Board
CCG.....Coalition Coordination Group
CCTFCommander, Combined Task Force
CFACCCoalition Force Air Component Commander
CFBLNet.....Combined Federated Battle Laboratories Network
CFLCC.....Coalition Force Land Component Commander
CFMCC.....Coalition Force Maritime Component Commander
CIT.....Coalition Interoperability Trial
CITWG.....Coalition Interoperability Trials Working Group
CJCSIChairman of the Joint Chiefs of Staff Instruction
CJTF.....Combined Joint Task Force
COE.....Common Operating Environment
COI.....Communities of Interest; Centers of Influence
COMSEC.....Communications Security
CONOPS.....Concept of Operations
COP.....Common Operational Picture
C/S/ACombatant command, Services, and Agencies
CSDWG.....CONOPS/SOPs Development Working Group
CTF.....Combined Task Force
CVAT.....Coalition Vulnerability Analysis Team
CWAN.....Coalition Wide Area Network
CWIDCoalition Warrior Interoperability Demonstration
CWID JMO ..CWID Joint Management Office
DAADesignated Approving Authority
DCIAIDefense Capability Initiative Action Item
DCP.....Distributive Collaborative Planning
DCTS.....Defense Collaboration Tool Suite
DII.....Defense Information Infrastructure
DISADefense Information Systems Agency
DMS.....Defense Message System
FBOFederal Business Opportunities
FO.....Fiber-Optic
FPCFinal Planning Conference
FPGA.....Field Programmable Gate Array
GBS.....Global Broadcast System
GCCSGlobal Command and Control System
GCSSGlobal Combat Support System
GIG.....Global Information Grid
GISGeographical Information System
HF.....High Frequency
HRHumanitarian Relief
ICC.....Integrated Command and Control; Interim CAOC Capability
IER.....Interface Exchange Requirement
INFOSEC.....Information Security

IPInternet Protocol
IPC.....Initial Planning Conference
JDCATJSIC Data Collection Analysis Tool
JITCJoint Interoperability Test Command
JSIC.....Joint Systems Integration Command
JTA.....Joint Technical Architecture
JTFJoint Task Force
JWICSJoint Worldwide Intelligence Communication System
JWID.....Joint Warrior Interoperability Demonstration (now CWID)
JWID JMO ...JWID Joint Management Office (now CWID JMO)
KbpsKilo bits per second
LANLocal Area Network
Mbps.....Mega bits per second
MCCIS.....Maritime Command and Control Information System
MLSMultiple Level Security
MPMid-term Planning
MPC.....Mid-term Planning Conference
MSABMultinational Security Accreditation Board
MSEL.....Master Scenario Events List
MSLMultiple Security Level
MTFMultinational Task Force
MWBT.....Master Web-Based Tool
NACOSA.....NATO Communications and Information Systems Operating and Support Agency
NATONorth Atlantic Treaty Organization
NC3ANATO Command Control and Consultation Agency
NC3O.....NATO Command Control and Consultation Organization
NIAPNational Information Assurance Partnership
NIETINATO Interoperability Environment Test Infrastructure
NIETWG.....NATO Interoperability Environment Test Working Group
NIPRNET.....Non-Secure Internet Protocol Router Network
NGA.....National Geospatial-Intelligence Agency
NOWGNetwork Operations Working Group
NSANational Security Agency
O&MOperations and Maintenance
OMISOperation Management Information System
OPORDOperations Order
ORBATOrder of Battle
PfPPartnership for Peace
PKOPeace Keeping Operation
PPParticipation Plan
PTE.....Prior to Execution
RDT&EResearch, Development, Test, and Evaluation
RFI.....Request for Information
RSGSRegional Signal Group SHAPE
SBMCSpace Battle Management Center
SEIWG.....Systems Engineering and Integration Working Group
SEWShared Early Warning
SeWG.....Security Working Group
SHAPESupreme Headquarters Allied Powers Europe
SIPRNET.....SECRET Internet Protocol Router Network
SMGSenior Management Group
SOP.....Standard Operating Procedure
SPAWARSpace and Naval Warfare Systems Command
TBMCS.....Theatre Ballistic Missile Control System
TBMDTheatre Ballistic Missile Defense
TBONETheater Battle Operations Net-Centric Environment
TCPTransformation Change Package; Transmission Control Protocol
TTP.....Tactics Techniques and Procedures
WANWide Area Network
WAP.....Wireless Application Protocol
WARNORD..Warning Order
WICATWISE Interoperability Collection and Management Tool
WISEWeb Information Services Environment
